

Support for larger firms - the COVID-19 Corporate Financing Facility

Under the new COVID-19 Corporate Financing Facility, the Bank of England will buy short term debt from larger companies.

This will support your company if it has been affected by a short-term funding squeeze and allow you to finance your short-term liabilities.

It will also support corporate finance markets overall and ease the supply of credit to all firms.

All UK businesses are eligible. The scheme will be available early in week beginning 23 March 2020. More information is available from the Bank of England.
